Flying NOT placed on any line — pairings that exceed Table B as built (need re-timing or re-pairing, not line construction)

Each of these pairings has a scheduled FDP longer than 14 CFR 117 Table B for its start time and segment count. The exceedances are small (2–45 minutes). Dropping a leg would strand the crew, so they are listed rather than re-

Trip	Duty	FDP over Table B by	\$117.15 split-duty rest would cure	Credit	Occurrences (date, published line)
