

UPS Trips — Trip Report — PART 117 RECONSTRUCTION

Table 5 analysis 2026-08-27 — HYPOTHETICAL: Part 117 does not apply to all-cargo operations (14 CFR 117.1). Not a UPS document.
Bid Period 2606 · 06Sep2026–01Nov2026 · Domicile ONT · Fleet 757. Unchanged pairings are reproduced from the BidPro feed that underlies PacketPrint_BID2606_757_ONT.pdf. Pairings marked REBUILT were split so that no crewmember flies more than three consecutive WOCL-infringing FDPs (\$117.27) and has 30 h free in every trailing 168 h (\$117.25(b)); the deadheads that result (SYN-O out / SYN-H home, commercial, estimated block from great-circle distance) are synthetic placeholders. Times: (local hour) Zulu HH:MM. Credit recomputed with the contract methods (L block / DH time, D duty÷1.5, M 4:00 minimum; trip = max of duty sum and TAFB÷3.75).

Trip Id: 0197 Lines: L07 Report Date Zulu: Only on Tue 08Sep2026
